Welcome to North Morley Primary school. We hope you enjoy your time looking around.

North Morley Primary School has a strong tradition of providing an educational environment that promotes academic excellence, the arts and physical education in an environment of respect for self and others.

We have an experienced and dedicated staff who work together with parents to provide learning programs that reflect the individual needs of students. We provide a stimulating and caring environment which enables our students to develop to their potential. The development of knowledge, skills and values in the social, physical and intellectual domains ensures that a balanced curriculum is provided and that education is about the whole child and putting children first.

North Morley Primary School is a proactive and supportive school. We provide a range of incentive programs for students and balance this with a code of conduct and behaviour management program. The result is a happy, safe and positive working environment.

Students wear their school uniform with pride, to help develop a sense of belonging. Our school has a strong supportive community feel about it, which is so important in the education and the health and wellbeing of children. Please visit us and see for yourself.

If you would like to know more about our wonderful school please don’t hesitate to contact us via e-mail, phone or simply drop in to say hello if you are in the area.

Thank you for visiting our school web site.
